## Fall 1954 Specials

### Landscape Size Plants – All Evergreen Varieties

Each year we have many Azaleas in all the finer varieties, that are too few of a variety to pay us to catalog and describe. ## *Sale Conditions - Read Carefully, Please, Before Ordering*

**TRUENESS OF NAME**—Much time is spent checking labels, when plants are in bloom, to make certain that none are wrongly labeled, and every effort is made to keep youngsters in their places, from propagation beds to field; but we raise thousands of plants in hundreds of varieties, and we could make mistakes. Should any prove untrue to name, please let us know, and we will do our best to correct the error.

**PLANT QUALITY**—We try our best to give you a plant that is well rooted, free of disease, and one that will meet your expectations, no matter what size your order calls for. We think we grow plants that are as good as the finest.

**NURSERY SELECTION**—If you are looking for something special in shape or size, a visit to the nursery would be wise; you will be charged according to your selection only, not a premium.

**IT IS IMPOSSIBLE TO GUARANTEE THE LIFE** of any plant. No one has that control. We have no way of knowing the treatment they will receive after they leave us. Some plants are perfectly hardy here in our nurseries, but that might not prove true where the Winter or soil is different. Read carefully our cultural directions in annual catalog. We make severe tests and give little or no Winter protection to prove hardiness, especially among the newer introductions. Drought often causes death to plants, and we cannot guarantee against that.

All plants on this list are **BALLED and BURLAPED** and shipped Express Collect; except the Hemerocallis which are bare root and shipped parcel post, prepaid.

**PLEASE NOTE BUSINESS HOURS**—8:30 to 5:00 P.M. seven days a week in Spring and Fall. Closed Saturdays and Sundays December 4 until March 5th. Closed national holidays only. **PLEASE OBSERVE**—We cannot work our men longer hours—**THINK**.

**BREAKAGE EN ROUTE TO CUSTOMER**—We advise shipping only by *Express Collect*, except for the small plants. Plants arrive in better condition by this method. Once we have delivered shipment to Express Company they assume responsibility for safe delivery. If it arrives in poor condition notify the Express Agent from whom you receive shipment. He will immediately file your claim for damages which occur while in transit. *We assume no responsibility for any damage after delivery to carrier.*

**TERMS**—Please send cash, check, or money order with your order. Because of the perishable nature of the materials, no C.O.D. orders can be accepted. After your order has been placed, please do not ask us to change or cancel it. During the shipping season several thousand orders are handled, and it is impossible to look for any one particular order without spending hours of time. Please give us a few day's notice in our busy season, so we can have your order ready if you are calling for it at the Nursery. All orders are taken on the condition that we are not sold out when your order arrives. *Please name some substitutes.* We are not responsible for future orders booked with us if we have crop failures.

**PLAN TO VISIT** our nursery and gardens to see the stock you purchase.

*All orders to be delivered in Maryland or D.C., add 2% Sales Tax. Orders will not be delivered until Tax is paid.*
